ELECTRONIC RESOURCES ACCESS AND CONTROL

The Acceptable Use Policy (AUP) and Implementation Guidelines (Policy 5.52) provides, among other things, that the use of the district network, the Internet and other electronic resources relies heavily on the proper conduct of the users who must adhere to strict guidelines. If a student user violates any of the provisions, his/her access account will be terminated and future access will be denied. In addition, appropriate disciplinary actions will be taken which may include suspension, expulsion, and referral to law enforcement.
